

UDON THANI INTERNATIONAL SCHOOL

NEWSLETTER

Our vision is to inspire internationally-minded, balanced learners who thrive and become active global citizens.

We are open again!

K1
All learners have settled down well and we are beginning to understand our daily routines in K1. We have been finding out about our families and what makes us unique.

Year 1/2
We are back, settled in and have begun learning. It's great to see the student's happy and eager to learn. We have been finding out about what makes a healthy, balanced lifestyle and investigating place value in maths.

Year 5/6
Year 5/6 are really pleased to be back at school. We are Covid-19 ready with masks worn at all times and workspaces distanced. Children have their own individual stationery and surfaces are sanitised regularly. Safety for everyone is our number one priority!

Message from the school

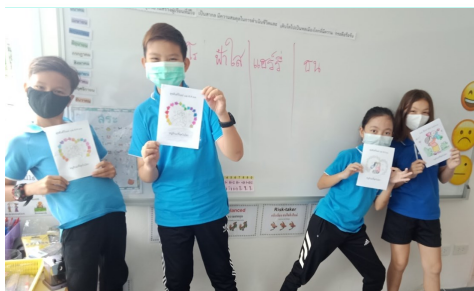

We appreciate seeing so many of you back for what will be a big year for us. We know you all have a choice as to where to send your children for schooling and we can assure you that you have made the right choice sending your children to UDIS!

This year many things look different with our new facilities up and running and our teaching programme affected by changes made to safeguard against Covid-19. These have all been made in the best interests of your children. This year we want to promote and develop parent engagement within the school. So, please get involved with our PTA events and activities, but even through simple ways such as keeping up to date with the communication we send regularly. We are also looking for a parents representative for the Board and if you are interested in stepping up please contact the school office.

Student success at UDIS - Year 7/8

The Middle Years (MY) learners have been enjoying their transition into the program. They are being exposed to a variety of different teaching strategies, learning tasks and new subject areas. The Year 7&8 learners have also been keen to explore their new MY quiet study area and library.

Languages at UDIS - Thai

Our learners in Year 5/6 have been learning about Mother's day by making and decorating cards. It was lovely to see them write their own cards for their mothers. Happy Mother's Day!

Arts

Our learners in Year 5/6 have been learning about Mother's day by making and decorating cards. It was lovely to see them write their own cards for their mothers. Happy Mother's Day!

COVID-19

Health and safety

The school has developed a Covid 19 policy and has sent the document to all the parents. Thankyou for reading it and following our guidance to keep all of us safe each day at school.

Week 3 parent meetings

This week parents were on campus to look around, meet the school's leadership and learn more about how each teacher will manage their class for this academic year.
