

UDON THANI INTERNATIONAL SCHOOL

NEWSLETTER

Our vision is to inspire internationally-minded, balanced learners who thrive and become active global citizens.

Christmas at UDIS

K2 class Update

K2 are currently looking at stories with the theme 'Snow and Ice' in UOI. We loved listening to 'The Snowman' by Raymond Briggs. The children became so excited about snow, that we made fake snow in Art and built our own snowpeople.

Year 3/4 class update

Year 3/4 have been very busy preparing for the Ho Ho Holiday Christmas Event. The children came up with the three games we will host and they made all of the games and decorations for our booth too. One of the games we prepared for our booth was Christmas Ring Toss. In the picture Linux is landing his second ring on our do-it-yourself Christmas tree.

Year 7/8 class update

The Year 7/8 class have been building their performing arts skills by taking part in a karaoke activity. The learners have been building their knowledge in how to use different types of music equipment as part of the process.

Message from the school

It is the end of Term 1 and time to reflect on what has been a successful start to the year. We have navigated the uncertainties of the Covid-19 pandemic well, and things are beginning to return to normal with our Community Plan loosening up.

Thanks to everyone involved with the Christmas event which has become a popular tradition on our school calendar. It was fantastic to see so many parents, learners and staff having fun and building community with each other. We have also been raising donations for the Udon Thani Home for Girls so there has been a chance for us to give back as a community as well.

Lastly, we have recently held our first Board meeting of the year and we have also released our Community Report for 2019/2020. These have been helpful to reflect on a tumultuous year and to plan for the years ahead. It is exciting to see the positive energy around the school at the moment and the direction we are moving in.

Have a wonderful holiday and we look forward to seeing you all back in January!

Student Council at UDIS

The student council members have been collecting clothing and essential care products for the Udon Thani Home for the Girls. Our first delivery of supplies will be dropped off before we begin the Term 1 holiday break. We hope to bring some comfort and joy to the children before Christmas and to help prepare them for the cold season. Thank you for all of your support and donations

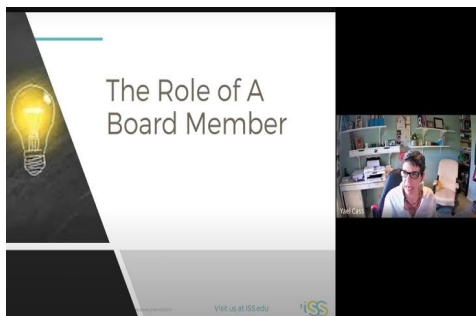

Languages at UDIS - EAL

In EAL we have been contributing in our own little way for the upcoming Christmas celebration. We wrote Christmas messages in our mother language as part of celebrating our diversity. We also used our thinking and communication skills and worked as a team to create some colourful Christmas rangolis.

PSPE

In PSPE learners had the chance to develop their hand-eye coordination games using different equipment such as the parachute and mini-trampolines. In addition, we used different implements to control different ball sizes, such as table tennis/badminton racquets and plastic cups.

PTA/ Board

The School Board met for its first online meeting on Friday 20 November. The parent representatives this year are K. Pairat Tivakornpannarai and K. Yanisa Changsirivathanathamrong. The Board had a chance to learn about their roles as Board members, look into the Community Report for 2019/2020 and discuss how best to help the school move forward. Thank you to all involved.

Community Report 2019/2020

We are pleased to release our Community Report for the 2019/2020 academic year. The report summarises our activities including our school, programmes, staff and results. Please scan the link above to find a link to the report.
