Our vision is to inspire internationally-minded, balanced learners who thrive and become active global citizens.

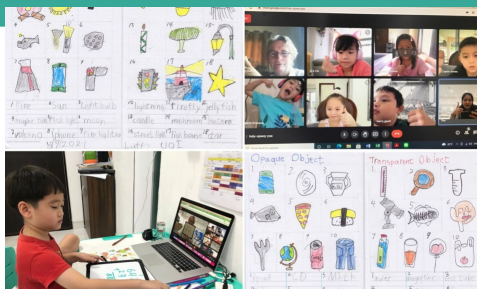

## Teachers day

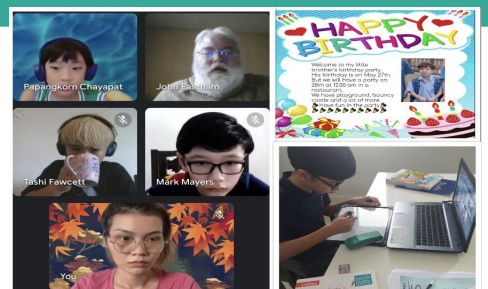

### K2: Making Rainbow Fish

We have been reading lots of stories in K2 with 'The Rainbow Fish' by Marcus Pfister as the most recent. K2 were asked to create their own rainbow fish and we had wonderful creations made by all the children. Here you can see Excel made her rainbow fish from flower petals and Pyne used fingerpaint to create his. K2 are great thinkers and incredibly creative.

### Y2/3: Seeing the light

Y2/3 have been doing the best they can with online learning and joining our video chats. This week we have been investigating light sources and learning new words such as opaque, translucent and transparent. We have also been investigating the reasons why shadows are different sizes at different times of the day.

### Y5/6: Party time!

Year 5/6 have taken on the role of a Party Planner and organised a birthday party for someone they know well. They prepared detailed proposals which they shared with the class and reflected on successes and improvements that they could make.. The children also developed their presentation skills when pitching their proposals.

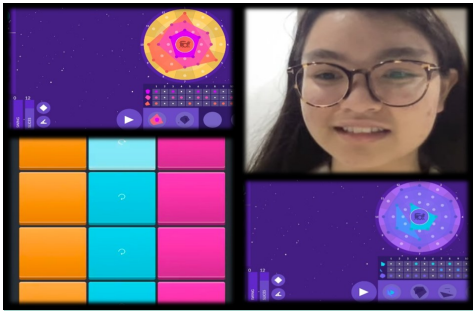

# Message from the school

Exciting news! We completed our inspection by the Ministry of Education (MOE) and Ministry of Public Health (MOPH) on Tuesday and we are now awaiting approval from the authorities to open our campus. We are so proud to be leading the way in opening for face to face learning with rigorous policies and procedures in place to ensure a safe return to learning for our community. UDIS helps our learners thrive!

Over the past week Ms. Emmi, our Principal, has met with class representatives to begin formalising the Parents and Teachers Association (PTA) at UDIS. Participation of parents in the decision making of the school is an essential part of what our school is about. We always want to consider, and take on board, the feelings and thoughts of parents in what we do.

This week was a chance to celebrate the importance of teachers at UDIS with our 'Wai Kru' day. We surely have some of the best teachers in all of Thailand working within our school and we can see that each day with the activities they facilitate with learners and the progress of our learners in all areas of the curriculum. Thanks to all our wonderful teachers!

### Y8/9: Digital music creators

In Music, Year 8/9 learners are composing the soundtrack for a short video to promote literacy at UDIS. As part of their inquiry, students have been exploring different music apps and programmes to familiarise themselves with digital music. The video will be posted on social media within the next few weeks.

### Student success: Look out, it's LILY!

Over the past few weeks of on-line learning, Lily has brought her positivity towards learning to each of our meetings! She is always eager to participate in discussions and takes great pride in her work. Lily loves to ask questions and always remembers to say, thank you at the end of each class meeting! Thank you, Lily! Keep up the fantastic work!

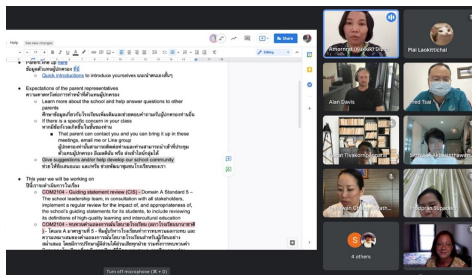

### Thai at UDIS: Fashion time!

In Thai as an Additional Language (TAL) learners demonstrated their potential while learning online. Over the past couple of weeks learners have looked at Fashion and Design in Year 7 and Thai manners in Year 3. They are reflective in what they are doing. Well done!

### Introducing: Ms. Charlie

Charlie is our K2 Teacher at UDIS and the Assistant Learning Support Coordinator. She enjoys travelling around Thailand to experience the culture, the food and visiting temples. Charlie is currently learning to speak Brazilian Portuguese and enjoys cooking new recipes at home. She also loves to have video calls with her friends and family in the UK, Brazil and other countries around the world. Charlie is committed to providing high quality teaching and learning across the whole school.

### PTA update

Our first PTA meeting was a success and everyone was able to meet each other via Google Meet and begin to make plans for how we can best develop our school. Parents shared ideas freely and we look forward to working together as the year continues. We are planning our next PTA meeting now and will announce that soon.

### Upcoming events

- |              |  |
|--------------|--|
| 24 September | Government long holiday weekend                |
